

Shasta Lake Special Events 2011:

These annual special events are sponsored by Reclamation's Northern California Area Office (NCAO) at Shasta Dam. The public is invited to attend any of these fun events.

March

- **Scouting For Trees**
Saturday, March 5, 2011, 8 a.m.-2 p.m.
Iron Mountain Road north about 4 miles, Keswick, CA

NCAO joins the Shasta-Trinity National Forest in their annual *Scouting For Trees* event where Boy and Girl Scouts of all ages roll up their sleeves and help plant thousands of trees to reforest areas that have been damaged by forest fire or other damaging situations. Volunteers learn the value of stewardship by planting trees that will be around for generations to come.

May

- **Shasta Dam Workers Reunion and Damboree**
Saturday, May 7, 2011, 9 a.m.-4 p.m.
Shasta Lake, CA

The City of Shasta Lake celebrates the building of Shasta Dam the first Saturday in May with its annual *Damboree Celebration* with festivities including a parade through town. As part of this community event, NCAO hosts the *Dam Workers Reunion*, which brings the men and women who helped build Shasta Dam together, along with their families and friends, to reminisce and share stories of building the Nation's second largest concrete dam.

June

- **Redding Energy Fair**
Saturday, June 18, 2011, 8 a.m.-1 p.m.
Turtle Bay Museum, Redding, CA

NCAO joins the city of Redding and several local businesses to highlight clean energy. Shasta Powerplant is California's largest hydroelectric facility, capable of producing 710 MW of clean power. Hydroelectricity is universally known as the most efficient way to produce renewable carbon-free energy.

June

- **C.A.S.T. For Kids Fishing Event**
Saturday, June 25, 2011, 8 a.m.-2 p.m.
Packers Bay Marina, Shasta Lake, CA

Local special-needs children are given a day to remember as they pair up with local bass fishing club members for a chance to cast a line and bring in some fish at the annual C.A.S.T. For Kids event. Reclamation co-sponsors and hosts this event with the C.A.S.T. For Kids Foundation and the whole local community to provide special kids from our area an opportunity to get outdoors and experience the benefits of this exciting sport.

September

- **National Public Lands Day**
September 24, 2011, 8 a.m.-1 p.m.
Fisherman's Point Day Use Area, Shasta Lake, CA

NCAO partners with the Shasta-Trinity National Forest to give back to the public lands near Shasta Dam in this annual clean-up day. Volunteers gather to clean and do minor maintenance on areas such as Fisherman's Point Day Use Area. Public Lands Day is a National event set aside to promote volunteerism and giving back to our great outdoors and the public lands we all benefit from.

October

- **Return of the Salmon Festival**
Saturday, October 15, 2011, 9 a.m.-4 p.m.
Coleman National Fish Hatchery, Anderson, CA

NCAO joins the U.S. Fish and Wildlife Service at Coleman National Fish Hatchery to celebrate the return of the salmon up Battle Creek. Coleman National Fish Hatchery is the largest USFWS hatchery and was built for mitigation of the Chinook salmon when Shasta Dam was built.
